Some big thank you's:

- **Aaron Maxwell and Christina Pelletier** for their amazing support, not the least of which is helping to run the pizza fundraiser this year.
- **Loa Peters, Pam Coburn and Cassandra Miller** for all the show "business" work they do behind the scenes.
 - **Sue and Ron** for helping to keep our work spaces clean and safe.
- **Parents** for supporting your children and encouraging them to persist with music. It's challenging work, but so fulfilling and worth it!
- **Students** – for your energy and enthusiasm, and for keeping me on my toes! You are fun to work with every day and we are all so proud of you.
 - **My daughter Ella**, who knows how much I love music, but not as much as I love her.
