

# Music Discoveries 2025 Camp

Hello parents/guardians,

Music Discoveries is now open for registration! Our camp is organized by UVic's Music Educators Association and we are happy to announce our registration is back open for our January 24th-26th 2025 camp! Music Discoveries is a unique experience for learning, playing, meeting new friends, and making forever memories. If your child is in grades 6, 7, or 8 and are currently in a middle school music program, this camp is a perfect kickstart to their musical journey. At music discoveries, your young musicians in band, choir, or strings programs will have the opportunity to play music with students from all over the Greater Victoria Area in a fresh learning environment. Each year, Music Discoveries is tied together with a theme. The themes inform what kind of songs we'll play and sing and other ongoing camp activities! The theme for Music Discoveries 2025 is MEDIEVAL!

## **The cost of Music Discoveries covers the following:**

- 3 rehearsals on your primary instrument/voice with our master conductors in our large [ensembles](#)
- Instrumental and voice workshops led by UVic's Music Education Students to further hone your skills
